| Unit Type                                     | Remote Controller | Unit Type                     | Remote Controller |
|---|-------------------|-------------------------------|-------------------|
| Ceiling Suspended                             | Option            | Ceiling Suspended             | Option            |
| Nominal Cooling Capacity (kW)                 | 14.0              | Nominal Heating Capacity (kW) | 14.9              |
| UK Total Cooling Capacity (kW)                | 10.4              | UK Heating Capacity (kW)      | 16.0              |
| UK Sensible Cooling Capacity (kW)             | 8.9               |                               |                   |
| Height (mm)                                   | 240               |                               |                   |
| Width (mm)                                    | 1660              |                               |                   |
| Depth (mm)                                    | 700               |                               |                   |
| Weight (kg)                                   | 48                |                               |                   |
| Airflow Rate - Cooling - High (m3/h)          | 2270              |                               |                   |
| Sound Pressure Level - Cooling - High (dB(A)) | 51                |                               |                   |
| Sound Pressure Level - Cooling - Low (dB(A))  | 40                |                               |                   |
| Refrigerant Type (Global Warming Potential)   | R410A (2,088)     |                               |                   |
| Liquid Pipe Size                              | 3/8"              |                               |                   |
| Gas Pipe Size                                 | 5/8"              |                               |                   |
| Unit Power Supply                             | 1Ph-230V-50Hz     |                               |                   |
